

Prospect-Assist-AI — Stage 2 (AWS) Target Architecture

Nothing below is provisioned yet — same interfaces (IngestionSource / AAClient / CoreBankingClient) as the MVP, only the concrete implementation swaps. AWS icons are the standard draw.io AWS4 shape library. See docs/aws-migration-map.md.

Pink/red = security & management ·
Blue = database ·
Green = storage/compute ·
Purple = ML & networking ·
Grey dashed = external/not-yet-wired ·
Red box = third-party (non-AWS)
